Augury

Level: 2

School: Divination

Ritual

Casting Time: 1 Minute(s)

Range: Self

Components: V, S, M

Specially marked sticks, bones, or similar tokens worth at least 25 gp.

Duration: Instantaneous

Description:

By casting gem-inlaid sticks, rolling dragon bones, laying out ornate cards, or employing some other divining tool, you receive an omen from an otherworldly entity about the results of a specific course of action that you plan to take within the next 30 minutes. The GM chooses from the following possible omens:

- Weal, for good results
- Woe, for bad results
- Weal and woe, for both good and bad results
- Nothing, for results that aren't especially good or bad

The spell doesn't take into account any possible circumstances that might change the outcome, such as the casting of additional spells or the loss or gain of a companion.

If you cast the spell two or more times before completing your next long rest, there is a cumulative 25 percent chance for each casting after the first that you get a random reading. The GM makes this roll in secret.

Bane

Level: 1

School: Enchantment

Casting Time: 1 Action(s)

Range: 30 ft

Components: V, S, M

A drop of blood.

Duration: Concentration, Up to 1 minute

Description:

Up to three creatures of your choice that you can see within range must make Charisma saving throws. Whenever a target that fails this saving throw makes an attack roll or a saving throw before the spell ends, the target must roll a d4 and subtract the number rolled from the attack roll or saving throw.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

Beacon of Hope

Level: 3

School: Abjuration

Casting Time: 1 Action(s)

Range: 30 ft

Components: V, S

Duration: Concentration, Up to 1 minute

Description:

This spell bestows hope and vitality. Choose any number of creatures within range. For the duration, each target has advantage on Wisdom saving throws and death saving throws, and regains the maximum number of hit points possible from any healing.

Bless

Level: 1

School: Enchantment

Casting Time: 1 Action(s)

Range: 30 ft

Components: V, S, M

A sprinkling of holy water.

Duration: Concentration, Up to 1 minute

Description:

You bless up to three creatures of your choice within range. Whenever a target makes an attack roll or a saving throw before the spell ends, the target can roll a d4 and add the number rolled to the attack roll or saving throw.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, you can target one additional creature for each slot level above 1st.

Blight

Level: 4

School: Necromancy

Casting Time: 1 Action(s)

Range: 30 ft

Components: V, S

Duration: Instantaneous

Description:

Necromantic energy washes over a creature of your choice that you can see within range, draining moisture and vitality from it. The target must make a Constitution saving throw. The target takes 8d8 necrotic damage on a failed save, or half as much damage on a successful one. This spell has no effect on undead or constructs.

If you target a plant creature or a magical plant, it makes the saving throw with disadvantage, and the spell deals maximum damage to it.

If you target a nonmagical plant that isn't a creature, such as a tree or shrub, it doesn't make a saving throw; it simply withers and dies.

Higher Levels:

When you cast this spell using a spell slot of 5th level or higher, the damage increases by 1d8 for each slot level above 4th.

Calm Emotions

Level: 2

School: Enchantment

Casting Time: 1 Action(s)

Range: 60 ft

Area of Effect: Sphere

Radius: 20 ft

Components: V, S

Duration: Concentration, Up to 1 minute

Description:

You attempt to suppress strong emotions in a group of people. Each humanoid in a 20-foot-radius sphere centered on a point you choose within range must make a Charisma saving throw; a creature can choose to fail this saving throw if it wishes. If a creature fails its saving throw, choose one of the following two effects.

You can suppress any effect causing a target to be charmed or frightened. When this spell ends, any suppressed effect resumes, provided that its duration has not expired in the meantime.

Alternatively, you can make a target indifferent about creatures of your choice that it is hostile toward. This indifference ends if the target is attacked or harmed by a spell or if it witnesses any of its friends being harmed. When the spell ends, the creature becomes hostile again, unless the GM rules otherwise.

Ceremony

Level: 1

School: Abjuration

Ritual

Casting Time: 1 Hour(s)

Range: Touch

Components: V, S, M

25 gp worth of powdered silver, which the spell consumes.

Duration: Instantaneous

Description:

You perform a special religious ceremony that is infused with magic. When you cast this spell, choose one of the following rites, the target of which must be within 10 feet of you throughout the casting.

Atonement: You touch one willing creature whose alignment has changed, and you make a DC 20 Wisdom (Insight) check. On a successful check, you restore the target to its original alignment.

Bless Water: You touch one vial of water and cause it to become holy water.

Coming Of Age: You touch one humanoid who is a young adult. For the next 24 hours, whenever the target makes an ability check, it can roll a d4 and add the number rolled to the ability check. A creature can only benefit from this rite only once.

Dedication: You touch one humanoid who wishes to be dedicated to your god's service. For the next 24 hours, whenever the target makes a saving throw it can roll a d4 and add the number rolled to the save. A creature can only benefit from this rite

only once.

Funeral Rite: You touch one corpse, and for the next 7 days, the target can't become undead by any means short of a wish spell.

Wedding: You touch adult humanoids willing to be bonded together in marriage. For the next 7 days, each target gains a +2 bonus to AC while they are within 30 feet of each other. A creature can only benefit from this rite again only if widowed.

Optional Rule: Bless Water affects 2 vials of water per casting.

Command

Level: 1

School: Enchantment

Casting Time: 1 Action(s)

Range: 60 ft

Components: V

Duration: 1 round

Description:

You speak a one-word command to a creature you can see within range. The target must succeed on a Wisdom saving throw or follow the command on its next turn. The spell has no effect if the target is undead, if it doesn't understand your language, or if your command is directly harmful to it.

Some typical commands and their effects follow. You might issue a command other than one described here. If you do so, the GM determines how the target behaves. If the target can't follow your command, the spell ends.

- Approach. The target moves toward you by the shortest and most direct route, ending its turn if it moves within 5 feet of you.
- Drop. The target drops whatever it is holding and then ends its turn.
- Flee. The target spends its turn moving away from you by the fastest available means.
- Grovel. The target falls prone and then ends its turn.
- Halt. The target doesn't move and takes no actions. A flying creature stays aloft, provided that it is able to do so. If it must move to stay aloft, it flies the minimum distance needed to remain in the air.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, you can affect one additional creature for each slot level above 1st. The creatures must be within 30 feet of each other when you target them.

Continual Flame

Level: 2

School: Evocation

Casting Time: 1 Action(s)

Range: Touch

Components: V, S, M

Ruby dust worth 50 gp, which the spell consumes.

Duration: Until dispelled

Description:

A flame, equivalent in brightness to a torch, springs forth from an object that you touch. The effect looks like a regular flame, but it creates no heat and doesn't use oxygen. A continual flame can be covered or hidden but not smothered or quenched.

Create Food and Water

Level: 3

School: Conjuration

Casting Time: 1 Action(s)

Range: 30 ft

Components: V, S

Duration: Instantaneous

Description:

You create 45 pounds of food and 30 gallons of water on the ground or in containers within range, enough to sustain up to fifteen humanoids or five steeds for 24 hours. The food is bland but nourishing, and spoils if uneaten after 24 hours. The water is clean and doesn't go bad.

Cure Wounds

Level: 1

School: Evocation

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: Instantaneous

Description:

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.

Death Ward

Level: 4

School: Abjuration

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: 8 hours

Description:

You touch a creature and grant it a measure of protection from death.

The first time the target would drop to 0 hit points as a result of taking damage, the target instead drops to 1 hit point, and the spell ends.

If the spell is still in effect when the target is subjected to an effect that would kill it instantaneously without dealing damage, that effect is instead negated against the target, and the spell ends.

Detect Magic

Level: 1

School: Divination

Ritual

Casting Time: 1 Action(s)

Range: Self

Components: V, S

Duration: Concentration, Up to 10 minutes

Description:

For the duration, you sense the presence of magic within 30 feet of you. If you sense magic in this way, you can use your action to see a faint aura around any visible creature or object in the area that bears magic, and you learn its school of magic, if any.

The spell can penetrate most barriers, but is blocked by 1 foot of stone, 1 inch of common metal, a thin sheet of lead, or 3 feet of wood or dirt.

Dispel Magic

Level: 3

School: Abjuration

Casting Time: 1 Action(s)

Range: 120 ft

Components: V, S

Duration: Instantaneous

Description:

Choose any creature, object, or magical effect within range. Any spell of 3rd level or lower on the target ends. For each spell of 4th level or higher on the target, make an ability check using your spellcasting ability. The DC equals 10 + the spell's level. On a successful check, the spell ends.

Higher Levels:

When you cast this spell using a spell slot of 4th level or higher, you automatically end the effects of a spell on the target if the spell's level is equal to or less than the level of the spell slot you used.

Enhance Ability

Level: 2

School: Transmutation

Casting Time: 1 Action(s)

Range: Touch

Components: V, S, M

Fur or a feather from a beast.

Duration: Concentration, Up to 1 hour

Description:

You touch a creature and bestow upon it a magical enhancement. Choose one of the following effects: the target gains the

effect until the spell ends.

- Bear's Endurance. The target has advantage on Constitution checks. It also gains 2d6 temporary hit points, which are lost when the spell ends.

- Bull's Strength. The target has advantage on Strength checks, and his or her carrying capacity doubles.

- Cat's Grace. The target has advantage on Dexterity checks. It also doesn't take damage from falling 20 feet or less if it isn't incapacitated.

- Eagle's Splendor. The target has advantage on Charisma checks.

- Fox's Cunning. The target has advantage on Intelligence checks.

- Owl's Wisdom. The target has advantage on Wisdom checks.

Higher Levels:

When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.

False Life

Level: 1

School: Necromancy

Casting Time: 1 Action(s)

Range: Self

Components: V, S, M

A small amount of alcohol or distilled spirits.

Duration: 1 hour

Description:

Bolstering yourself with a necromantic facsimile of life, you gain 1d4 + 4 temporary hit points for the duration.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, you gain 5 additional temporary hit points for each slot level above 1st.

Gentle Repose

Level: 2

School: Necromancy

Ritual

Casting Time: 1 Action(s)

Range: Touch

Components: V, S, M

A pinch of salt and one copper piece placed on each of the corpse's eyes, which must remain there for the duration.

Duration: 10 days

Description:

You touch a corpse or other remains. For the duration, the target is protected from decay and can't become undead.

The spell also effectively extends the time limit on raising the target from the dead, since days spent under the influence of this spell don't count against the time limit of spells such as raise dead.

Glyph of Warding

Level: 3

School: Abjuration

Casting Time: 1 Hour(s)

Range: Touch

Components: V, S, M

Incense and powdered diamond worth at least 200 gp, the spell consumes.

Duration: Until dispelled

Description:

When you cast this spell, you inscribe a glyph that harms other creatures, either upon a surface (such as a table or a section of floor or wall) or within an object that can be closed (such as a book, a scroll, or a treasure chest) to conceal the glyph. If you choose a surface, the glyph can cover an area of the surface no larger than 10 feet in diameter. If you choose an object, that object must remain in its place; if the object is moved more than 10 feet from where you cast this spell, the glyph is broken, and the spell ends without being triggered.

The glyph is nearly invisible and requires a successful Intelligence (Investigation) check against your spell save DC to be found.

You decide what triggers the glyph when you cast the spell. For glyphs inscribed on a surface, the most typical triggers include touching or standing on the glyph, removing another object covering the glyph, approaching within a certain distance of the glyph, or manipulating the object on which the glyph is inscribed. For glyphs inscribed within an object, the most common triggers include opening that object, approaching with a certain distance of the object, or seeing or reading the glyph. Once a glyph is triggered, the spell ends.

You can further refine the triggers so the spell activates only under certain circumstances or according to physical characteristics (such as height or weight), creature kind (for example, the ward could be set to affect aberrations or drow), or alignment. You can also set conditions for creatures that don't trigger the glyph, such as those who say a certain password.

When you inscribe the glyph, choose explosive runes or a spell glyph.

- Explosive Runes.** When triggered, the glyph erupts with magical energy in a 20-foot-radius sphere centered on the glyph. The sphere spreads around corners. Each creature in the area must make a Dexterity saving throw. A creature takes 5d8 acid, cold, fire, lightning, or thunder damage on a failed saving throw (your choice when you create the glyph), or half as much damage on a successful one.

- Spell Glyph.** You can store a prepared spell of 3rd level or lower in the glyph by casting it as part of creating the glyph. The spell must target a single creature or an area. The spell being stored has no immediate effect when cast in this way. When the glyph is triggered, the stored spell is cast. If the spell has a target, it targets the creature that triggered the glyph. If the spell affects an area, the area is centered on that creature. If the spell summons hostile creatures or creates harmful objects or traps, they appear as close as possible to the intruder and attack it. If the spell requires concentration, it lasts until the end of its full duration.

Higher Levels:

When you cast this spell using a spell slot of 4th level or higher, the damage of an explosive runes glyph increases by 1d8 for each slot level above 3rd. If you create a spell glyph, you can store any spell of up to the same level as the slot you used for

the glyph of warding.

Guiding Bolt

Level: 1

School: Evocation

Casting Time: 1 Action(s)

Range: 120 ft

Components: V, S

Duration: 1 round

Description:

A flash of light streaks toward a creature of your choice within range. Make a ranged spell attack against the target. On a hit, the target takes 4d6 radiant damage, and the next attack roll made against this target before the end of your next turn has advantage, thanks to the mystical dim light glittering on the target until then.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

Healing Word

Level: 1

School: Evocation

Casting Time: 1 Bonus Actions(s)

Range: 60 ft

Components: V

Duration: Instantaneous

Description:

A creature of your choice that you can see within range regains hit points equal to 1d4 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

Higher Levels:

When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d4 for each slot level above 1st.

Hex

Level: 1

School: Enchantment

Casting Time: 1 Bonus Actions(s)

Range: 90 ft

Components: V, S, M

the petrified eye of a newt

Duration: Concentration, up to 1 hour

Description:

You place a curse on a creature that you can see within range. Until the spell ends, you deal an extra 1d6 necrotic damage to the target whenever you hit it with an attack. Also, choose one ability when you cast the spell. The target has disadvantage on ability checks made with the chosen ability. If the target drops to 0 hit points before this spell ends, you can use a bonus action on a subsequent turn of yours to curse a new creature. A remove curse cast on the target ends this spell early.

Higher Levels:

When you cast this spell using a spell slot of 3rd or 4th level, you can maintain your concentration on the spell for up to 8 hours. When you use a spell slot of 5th level or higher, you can maintain your concentration on the spell for up to 24 hours.

Lesser Restoration

Level: 2

School: Abjuration

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: Instantaneous

Description:

You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.

Magic Circle

Level: 3

School: Abjuration

Casting Time: 1 Minute(s)

Range: 10 ft

Area of Effect: Cylinder

Radius: 10 ft

Height: 20 ft

Components: V, S, M

Holy water or powdered silver and iron worth at least 100 gp, which the spell consumes.

Duration: 1 hour

Description:

You create a 10-foot-radius, 20-foot-tall cylinder of magical energy centered on a point on the ground that you can see within range. Glowing runes appear wherever the cylinder intersects with the floor or other surface.

Choose one or more of the following types of creatures: celestials, elementals, fey, fiends, or undead. The circle affects a creature of the chosen type in the following ways:

- The creature can't willingly enter the cylinder by nonmagical means. If the creature tries to use teleportation or interplanar travel to do so, it must first succeed on a Charisma saving throw.
- The creature has disadvantage on attack rolls against targets within the cylinder.
- Targets within the cylinder can't be charmed, frightened, or possessed by the creature.

When you cast this spell, you can elect to cause its magic to operate in the reverse direction, preventing a creature of the specified type from leaving the cylinder and protecting targets outside it.

Higher Levels:

When you cast this spell using a spell slot of 4th level or higher, the duration increases by 1 hour for each slot level above 3rd.

Mass Healing Word

Level: 3

School: Evocation

Casting Time: 1 Bonus Action(s)

Range: 60 ft

Components: V

Duration: Instantaneous

Description:

As you call out words of restoration, up to six creatures of your choice that you can see within range regain hit points equal to 1d4 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

Higher Levels:

When you cast this spell using a spell slot of 4th level or higher, the healing increases by 1d4 for each slot level above 3rd.

Meld into Stone

Level: 3

School: Transmutation

Ritual

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: 8 hours

Description:

You step into a stone object or surface large enough to fully contain your body, melding yourself and all the equipment you carry with the stone for the duration. Using your movement, you step into the stone at a point you can touch. Nothing of your presence remains visible or otherwise detectable by nonmagical senses.

While merged with the stone, you can't see what occurs outside it, and any Wisdom (Perception) checks you make to hear sounds outside it are made with disadvantage. You remain aware of the passage of time and can cast spells on yourself while merged in the stone. You can use your movement to leave the stone where you entered it, which ends the spell. You otherwise can't move.

Minor physical damage to the stone doesn't harm you, but its partial destruction or a change in its shape (to the extent that you no longer fit within it) expels you and deals 6d6 bludgeoning damage to you. The stone's complete destruction (or transmutation into a different substance) expels you and deals 50 bludgeoning damage to you. If expelled, you fall prone in an unoccupied space closest to where you first entered.

Mending

Level: Cantrip

School: Transmutation

Casting Time: 1 Minute(s)

Range: Touch

Components: V, S, M

Two lodestones.

Duration: Instantaneous

Description:

This spell repairs a single break or tear in an object you touch, such as broken chain link, two halves of a broken key, a torn

cloak, or a leaking wineskin. As long as the break or tear is no larger than 1 foot in any dimension, you mend it, leaving no trace of the former damage.

This spell can physically repair a magic item or construct, but the spell can't restore magic to such an object.

Misty Step

Level: 2

School: Conjuration

Casting Time: 1 Bonus Actions(s)

Range: Self

Components: V

Duration: Instantaneous

Description:

Briefly surrounded by silvery mist, you teleport up to 30 feet to an unoccupied space that you can see.

Protection from Energy

Level: 3

School: Abjuration

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: Concentration, Up to 1 hour

Description:

For the duration, the willing creature you touch has resistance to one damage type of your choice: acid, cold, fire, lightning, or thunder.

Ray of Enfeeblement

Level: 2

School: Necromancy

Casting Time: 1 Action(s)

Range: 60 ft

Components: V, S

Duration: Concentration, Up to 1 minute

Description:

A black beam of enervating energy springs from your finger toward a creature within range. Make a ranged spell attack against the target. On a hit, the target deals only half damage with weapon attacks that use Strength until the spell ends.

At the end of each of the target's turns, it can make a Constitution saving throw against the spell. On a success, the spell ends.

Remove Curse

Level: 3

School: Abjuration

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: Instantaneous

Description:

At your touch, all curses affecting one creature or object end. If the object is a cursed magic item, its curse remains, but the spell breaks its owner's attunement to the object so it can be removed or discarded.

Resistance

Level: Cantrip

School: Abjuration

Casting Time: 1 Action(s)

Range: Touch

Components: V, S, M

A miniature cloak.

Duration: Concentration, Up to 1 minute

Description:

You touch one willing creature. Once before the spell ends, the target can roll a d4 and add the number rolled to one saving throw of its choice. It can roll the die before or after the saving throw. The spell then ends.

Revivify

Level: 3

School: Necromancy

Casting Time: 1 Action(s)

Range: Touch

Components: V, S, M

Diamonds worth 300 gp, which the spell consumes.

Duration: Instantaneous

Description:

You touch a creature that has died within the last minute. That creature returns to life with 1 hit point. This spell can't return to life a creature that has died of old age, nor can it restore any missing body parts.

Sanctuary

Level: 1

School: Abjuration

Casting Time: 1 Bonus Actions(s)

Range: 30 ft

Components: V, S, M

A small silver mirror.

Duration: 1 minute

Description:

You ward a creature within range against attack. Until the spell ends, any creature who targets the warded creature with an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, the creature must choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects, such as the explosion of a fireball.

If the warded creature makes an attack or casts a spell that affects an enemy creature, this spell ends.

Sending

Level: 3

School: Evocation

Casting Time: 1 Action(s)

Range: Unlimited

Components: V, S, M

A short piece of fine copper wire.

Duration: 1 round

Description:

You send a short message of twenty-five words or less to a creature with you are familiar. The creature hears the message in its mind, recognizes you as the sender if it knows you, and can answer in a like manner immediately. The spell enables creatures with Intelligence scores of at least 1 to understand the meaning of your message.

You can send the message across any distance and even to other planes of existence, but if the target is on a different plane than you, there is a 5 percent chance that the message doesn't arrive.

Spare the Dying

Level: Cantrip

School: Necromancy

Casting Time: 1 Action(s)

Range: Touch

Components: V, S

Duration: Instantaneous

Description:

You touch a living creature that has 0 hit points. The creature becomes stable. This spell has no effect on undead or constructs.

Speak with Dead

Level: 3

School: Necromancy

Casting Time: 1 Action(s)

Range: 10 ft

Components: V, S, M

Burning incense.

Duration: 10 minutes

Description:

You grant the semblance of life and intelligence to a corpse of your choice within range, allowing it to answer the questions you pose. The corpse must still have a mouth and can't be undead. The spell fails if the corpse was the target of this spell within the last 10 days.

Until the spell ends, you can ask the corpse up to five questions. The corpse knows only what it knew in life, including the languages it knew. Answers are usually brief, cryptic, or repetitive, and the corpse is under no compulsion to offer a truthful answer if you are hostile to it or it recognizes you as an enemy. This spell doesn't return the creature's soul to its body, only its

animating spirit. Thus, the corpse can't learn new information, doesn't comprehend anything that has happened since it died, and can't speculate about future events.

Spirit Guardians

Level: 3

School: Conjuration

Casting Time: 1 Action(s)

Range: Self

Area of Effect: Sphere

Radius: 15 ft

Components: V, S, M

A holy symbol.

Duration: Concentration, Up to 10 minutes

Description:

You call forth spirits to protect you. They flit around you to a distance of 15 feet for the duration. If you are good or neutral, their spectral form appears angelic or fey (your choice). If you are evil, they appear fiendish.

When you cast this spell, you can designate any number of creatures you can see to be unaffected by it. An affected creature's speed is halved in the area, and when the creature enters the area for the first time on a turn or starts its turn there, it must make a Wisdom saving throw. On a failed save, the creature takes 3d8 radiant damage (if you are good or neutral) or 3d8 necrotic damage (if you are evil). On a successful save, the creature takes half as much damage.

Higher Levels:

When you cast this spell using a spell slot of 5th level or higher, the damage increases by 1d8 for each slot level above 3rd.

Spiritual Weapon

Level: 2

School: Evocation

Casting Time: 1 Bonus Actions(s)

Range: 60 ft

Components: V, S

Duration: 1 minute

Description:

You create a floating, spectral weapon within range that lasts for the duration or until you cast this spell again. When you cast the spell, you can make a melee spell attack against a creature within 5 feet of the weapon. On a hit, the target takes force damage equal to 1d8 + your spellcasting ability modifier.

As a bonus action on your turn, you can move the weapon up to 20 feet and repeat the attack against a creature within 5 feet of it.

The weapon can take whatever form you choose. Clerics of deities who are associated with a particular weapon (as St. Cuthbert is known for his mace and Thor for his hammer) make this spell's effect resemble that weapon.

Higher Levels:

When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d8 for every two slot levels above the 2nd.

Thaumaturgy

Level: Cantrip

School: Transmutation

Casting Time: 1 Action(s)

Range: 30 ft

Components: V

Duration: 1 minute

Description:

You manifest a minor wonder, a sign of supernatural power, within range. You create one of the following magical effects within range:

- Your voice booms up to three times as loud as normal for 1 minute.
- You cause flames to flicker, brighten, dim, or change color for 1 minute.
- You cause harmless tremors in the ground for 1 minute.
- You create an instantaneous sound that originates from a point of your choice within range, such as a rumble of thunder, the cry of a raven, or ominous whispers.
- You instantaneously cause an unlocked door or window to fly open or slam shut.
- You alter the appearance of your eyes for 1 minute.

If you cast this spell multiple times, you can have up to three of its 1-minute effects active at a time, and you can dismiss such an effect as an action.

Toll The Dead

Level: Cantrip

School: Necromancy

Casting Time: 1 Action(s)

Range: 60 ft

Components: V, S

Duration: Instantaneous

Description:

You point at one creature you can see within range, and the sound of a dolorous bell fills the air around it for a moment. The target must succeed on a Wisdom saving throw or take 1d8 necrotic damage. If the target is missing any of its hit points, it instead takes 1d12 necrotic damage.

Higher Levels:

The spell's damage increases by one die when you reach 5th level (2d8 or 2d12), 11th level (3d8 or 3d12), and 17th level (4d8 or 4d12).

Tongues

Level: 3

School: Divination

Casting Time: 1 Action(s)

Range: Touch

Components: V, M

A small clay model of a ziggurat.

Duration: 1 hour

Description:

This spell grants the creature you touch the ability to understand any spoken language it hears. Moreover, when the target speaks, any creature that knows at least one language and can hear the target understands what it says.

Vampiric Touch

Level: 3

School: Necromancy

Casting Time: 1 Action(s)

Range: Self

Components: V, S

Duration: Concentration, Up to 1 minute

Description:

The touch of your shadow-wreathed hand can siphon force from others to heal your wounds. Make a melee spell attack against a creature within your reach. On a hit, the target takes 3d6 necrotic damage, and you regain hit points equal to half the amount of necrotic damage dealt. Until the spell ends, you can make the attack again on each of your turns as an action.

Higher Levels:

When you cast this spell using a spell slot of 4th level or higher, the damage increases by 1d6 for each slot level above 3rd.

Water Walk

Level: 3

School: Transmutation

Ritual

Casting Time: 1 Action(s)

Range: 30 ft

Components: V, S, M

Duration: 1 hour

Description:

This spell grants the ability to move across any liquid surface – such as water, acid, mud, snow, quicksand, or lava – as if it were harmless solid ground (creatures crossing molten lava can still take damage from the heat). Up to ten willing creatures you can see within range gain this ability for the duration.

 If you target a creature submerged in a liquid, the spell carries the target to the surface of the liquid at a rate of 60 feet per round.

Features

Blessed Healer

Category: Class

Class: Cleric

Level Gained: 6

Range: Self

Description:

The healing spells you cast on others heal you as well. When you cast a spell of 1st level or higher that restores hit points to a

creature other than you, you regain hit points equal to 2 + the spell's level.

Bonus Proficiency

Category: Class

Class: Cleric

Level Gained: 1

Range: Self

Description:

At 1st level, you gain proficiency with martial weapons.

Bonus Proficiency

Category: Class

Class: Cleric

Level Gained: 1

Range: Self

Description:

At 1st level, you gain proficiency with heavy armor.

Channel Divinity

Category: Class

Class: Cleric

Level Gained: 2

Description:

When you use your Channel Divinity, you choose which effect to create. You must then finish a short or long rest to use your Channel Divinity again.

Some Channel Divinity effects require saving throws. When you use such an effect from this class, the DC equals your cleric spell save DC.

Beginning at 6th level, you can use your Channel Divinity twice between rests, and beginning at 18th level, you use it three times between rests. When you finish a short or long rest, you regain your expended uses.

Channel Divinity: Path To The Grave

Category: Feat

Level Gained: 2

Range: Self

Description:

Starting at 2nd level, you can use your Channel Divinity to mark another creature's life force for termination.

As an Action, you choose one creature within 30 feet of you, cursing it until the end of your next turn. The next time you or an ally of yours hits the cursed creature with an attack, the creature has vulnerability to all of that attack's damage, and then the curse ends.

Channel Divinity: Turn Undead

Category: Class

Class: Cleric

Level Gained: 2

Area of Effect: Sphere

Radius: 30 ft

Description:

As an action, you present your holy symbol and speak a prayer censuring the undead. Each undead that can see or hear you within 30 feet of you must make a Wisdom saving throw. If the creature fails its saving throw, it is turned for 1 minute or until it takes any damage.

A turned creature must spend its turns trying to move as far away from you as it can, and it can't willingly move to a space within 30 feet of you. It also can't take reactions. For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Circle Of Mortality

Category: Feat

Level Gained: 1

Range: Self

Description:

At 1st level, you gain the ability to manipulate the line between life and death. When you would normally roll one or more dice to restore hit points with a spell to a creature at 0 hit points, you instead use the highest number possible for each die.

In addition, you learn the spare the dying cantrip, which doesn't count against the number of cleric cantrips you know. For you, it has a range of 30 feet and you can cast it as a Bonus Action.

Cleric: Grave Domain

Category: Class

Class: Cleric

Level Gained: 1

Range: Self

Description:

Gods of the grave watch over the line between life and death. To these deities, death and the afterlife are a foundational part of the multiverse's workings. To resist death, or to desecrate the dead's rest, is an abomination. Deities of the grave include Kelemvor, Wee Jas, the ancestral spirits of the Undying Court, Hades, Anubis, and Osiris. These deities teach their followers to respect the dead and pay them due homage. Followers of these deities seek to put restless spirits to rest, destroy the undead wherever they find them, and ease the suffering of dying creatures. Their magic also allows them to stave off a creature's death, though they refuse to use such magic to extend a creature's lifespan beyond its mortal limits.

Destroy Undead

Category: Class

Class: Cleric

Level Gained: 5

Description:

When an undead fails its saving throw against your Turn Undead feature, the creature is instantly destroyed if its challenge rating is at or below a certain threshold, as shown in the table below:

Cleric Level - Challenge Rating

5th - 1/2 or lower

8th - 1 or lower

11th - 2 or lower

14th - 3 or lower

17th - 4 or lower

Domain Spells

Category: Class

Class: Cleric

Level Gained: 1

Description:

Once you gain a domain spell, you always have it prepared, and it doesn't count against the number of spells you can prepare each day.

Domain Spells: Grave Domain

Category: Class

Class: Cleric

Level Gained: 1

Range: Self

Description:

Cleric Level Spells

1st Bane, False Life

3rd Gentle Repose, Ray of Enfeeblement

5th Revivify, Vampiric Touch

7th Blight, Death Ward

9th Antilife Shell, Raise Dead

Elf Weapon Training

Category: Race

Race: Wood Elf

Level Gained: 1

Range: Self

Description:

You have proficiency with the longsword, shortsword, shortbow, and longbow.

Equipment

Category: Background

Background: Acolyte

Level Gained: 1

Range: Self

Description:

A holy symbol (a gift to you when you entered the priesthood), a prayer book or prayer wheel, 5 sticks of incense, vestments, a set of common clothes, and a belt pouch containing 15 gp

Eyes Of The Grave

Category: Feat

Level Gained: 1

Range: Self

Description:

At 1st level, you gain the ability to occasionally sense the presence of the undead, whose existence is an insult to the natural cycle of life. As an Action, you can open your awareness to magically detect undead. Until the end of your next turn, you know the location of any undead within 60 feet of you that isn't behind total cover and that isn't protected from divination magic. This sense doesn't tell you anything about a creature's capabilities or identity.

You can use this feature a number of times equal to your Wisdom modifier (minimum of once). You regain all expended uses when you finish a long rest.

Fey Touched (UA)

Category: Feat

Level Gained: 1

Range: Self

Description:

Your exposure to the Feywild or one of its denizens has left a magical mark on you. You gain the following benefits:

Increase your Intelligence, Wisdom, or Charisma score by 1, to a maximum of 20.

You learn the Misty Step spell and one 1st-level spell of your choice. The 1st-level spell must be from the divination or enchantment school of magic. You can cast each of these spells without expending a spell slot. Once you cast either of these spells in this way, you can't cast that spell in this way again until you finish along rest. You can also cast these spells using spell slots you have of the appropriate level. The spells' spellcasting ability is the ability increased by this feat.

Fleet of Foot

Category: Race

Race: Wood Elf

Level Gained: 1

Range: Self

Description:

Your base walking speed increases to 35 feet.

Mask of the Wild

Category: Feat

Level Gained: 1

Range: Self

Description:

You can attempt to hide even when you are only lightly obscured by foliage, heavy rain, falling snow, mist, and other natural phenomena.

Mask of the Wild

Category: Race

Race: Wood Elf

Level Gained: 1

Range: Self

Description:

You can attempt to hide even when you are only lightly obscured by foliage, heavy rain, falling snow, mist, and other natural phenomena.

Observant

Category: Feat

Level Gained: 1

Range: Self

Description:

Quick to notice details of your environment, you gain the following benefits:

- Increase your Intelligence or Wisdom score by 1, to a maximum of 20.
 - If you can see a creature's mouth while it is speaking a language you understand, you can interpret what it's saying by reading its lips.
 - You have a +5 bonus to your passive Wisdom (Perception) and passive Intelligence (Investigation) scores.
-

Ritual Casting

Category: Class

Class: Cleric

Level Gained: 1

Description:

You can cast a cleric spell as a ritual if that spell has the ritual tag and you have the spell prepared.

Sentinel At Death's Door

Category: Feat

Level Gained: 6

Range: Self

Description:

At 6th level, you gain the ability to impede death's progress. As a Reaction when you or a creature you can see within 30 feet of you suffers a critical hit, you can turn that hit into a normal hit. Any effects triggered by a critical hit are cancelled.

You can use this feature a number of times equal to your Wisdom modifier (minimum of once). You regain all expended uses when you finish a long rest.

Shelter of the Faithful

Category: Background

Background: Acolyte

Description:

As an acolyte, you command the respect of those who share your faith, and you can perform the religious ceremonies of your deity. You and your adventuring companions can expect to receive free healing and care at a temple, shrine, or other established presence of your faith, though you must provide any material components needed for spells. Those who share your religion will support you (but only you) at a modest lifestyle.

You might also have ties to a specific temple dedicated to your chosen deity or pantheon, and you have a residence there. This could be the temple where you used to serve, if you remain on good terms with it, or a temple where you have found a new home. While near your temple, you can call upon the priests for assistance, provided the assistance you ask for is not hazardous and you remain in good standing with your temple.

Spellcasting Focus

Category: Class

Class: Cleric

Level Gained: 1

Description:

You can use a holy symbol as a spellcasting focus for your cleric spells.
